## COLLEGE COURSE IN PATRIOTISM

Chicago's Mayor Starts Chair in Lincoln University.

## STUDENTS TRUE AMERICANS

New York City.—For the first time in the history of American education a chair has been established for the teaching of American Patriotism. Inspired by the work being done by the Lincoln Memorial University, William Hale Thompson, mayor of Chicago, will provide \$25,000 for this purpose. The students of the university have already volunteered their services to the United States for war, and as they are from the hardest stock of mountaineers, from which 150,000 men were recruited to fight the battles of the union, their offer has been favorably received by the government. At a recent dinner given by the university in honor of Major General Wood, Frank A. Seiberling of Akron,

WILLIAM HALE THOMPSON.

O., president of the board of trustees, announced the offer of Mayor Thompson. Plans have already been made for opening the Patriotism Department. The university was established by General O. O. Howard at the suggestion of Abraham Lincoln himself. The institution now stands as a living monument to the immortal rail splitter. Illiterate youthful mountaineers have been known to walk over a hundred miles with their goods and chattels tied up in a bandana handkerchief to be "dedicated" at the university where rudimentary as well as the highest branches of learning are taught. These people are of the pure American stock from which came Lincoln and other men famed and honored through American history—Admiral Farragut,

Andrew Jackson, Uncle Joe Cannon, Fighting Bob Evans and Sam Houston. —A campaign to raise a \$1,000,000 endowment for the university is now under way. Chancellor John Wesley Hill has announced that about \$300,000 has

already been provided. On Lincoln's birthday next a celebration will be held at Cumberland Gap at which a trainload of prominent visitors from all parts of the country will commemorate the closing of the fund. It was on a similar occasion last Feb. 12 that Mayor Thompson was present with 500 other distinguished guests.

The following were recently elected trustees of the endowment fund: Marcus M. Marks, president of the borough of Manhattan, New York city; Jacob M. Dickinson, former secretary of war; Samuel P. Avery of Hartford, Conn.; A. I. Garford of Elyria, O.; Theodore E. Burton, former senator from Ohio, now president of the Merchants National bank of New York, who has been elected treasurer. He is receiving voluntary contributions from throughout the entire country. One recently came from a soldier's widow saying, "This mite is my tribute to Lincoln." Every dollar contributed goes to the endowment fund without cost of commission or any item of expense.

## RESULTS THAT REMAIN ARE APPRECIATIVE ALMA PEOPLE.

Thousands suffer from backache and kidney complaint have tried one remedy after another, finding only temporary benefit. This is discouraging, but there is one kidney medicine that has earned a reputation for lasting results and there is plenty of proof of its merit right here in Alma.

Here is the testimony of an Alma man who used Doan's Kidney Pills years ago, and now makes his testimony even stronger.

Ezra Robinson, 113 Grant Ave., says: "I have the greatest confidence in Doan's Kidney Pills. I suffered greatly with a lame back and from other symptoms of kidney troubles. I tried many medicines, but found no relief until I got Doan's Kidney Pills at Rhodes Drug Store. They strengthened my kidneys and relieved the lameness in my back, benefiting me generally."

A Second Statement.  
OVER THREE YEARS LATER, Mr. Robinson said: "Doan's Kidney Pills completely rid me of kidney trouble and I am glad to recommend them." Price 50c at all dealers. Don't simply ask for kidney remedy—get Doan's Kidney Pills—the same that Mr. Robinson has twice recommended. Foster-McMillan Co., Props., Buffalo, N. Y.

### CORRECTION

We find that we have been misinformed relative to the attitude of Professor Schultz to the display of the United States flag upon the public school building in the city of Alma on Monday, April 2nd.

We will further state that Superintendent A. F. Schultz displayed the United States flag upon his own residence and also ordered the flag displayed over the public schools.

C. R. MURPHY, R. A. STUMP.

Orders to the effect that all chickens owned in the city must be cooped up from now on, have been issued by the city marshal, William Rogers. There is an ordinance in regard to chickens and it will be enforced through the city.
